

AEROPORTO ROMA FIUMICINO → CASTELLO DI CASOLE (CETENA)

N.B. Italian highways are patrolled for speed by radar detectors hidden alongside the highways as well as underneath overpasses. To avoid traffic tickets, be aware of these. Speed limits are posted along all streets and highways.

Also, there are tollbooths on the way to the property. There is someone at the tollbooths most of the time. However, in the case of early or late arrivals, you may want to make sure that you have some change before leaving. When paying tolls, make sure that you get into the lanes with the workers or machines that accept coins or euros. **Do NOT** go to the Telepass lane.
